Description

Future Academy is one of the leading tuition centres in providing high quality tuition service in Singapore. Led by former Raffles Girls' School teacher, Ms Chen, and former Hwa Chong Institution Head-of-Department of Maths, Mr Lau, we offer tailored learning programs for students and conduct tuition in 1v6 small groups. We are hiring talented management professionals to join our team. If you're excited to be part of a winning team, Future Academy is a great place to grow your career.

Responsibilities

- Conduct lessons according to lesson plans
- Reviewing classroom or curricula topics and assignments
- Working with students to help them understand key concepts, especially those learned in the classroom
- Create educational materials to further demonstrate subject matter to be covered
- Assess the progress of assigned students to ensure effective processes
- Plan creative lessons to engage and educate students
- Conducting practice tests to track progress, identify areas of improvement and help set goals for exam preparation
- Providing students positive and constructive feedback

Qualifications

- Bachelor's Degree in Biological Sciences & Technologies or equivalent
- Passion and excitement for the subject being taught
- Professional experience preparing lesson plans and personalized instruction
- Experience working with children in a supervised setting
- Education in teaching methodology, theory and processes
